Normal wear and tear excepted. The OWNER's invoice for replacement or repair is conclusive as to the amount the RENTER shall pay.

5. No allowance will be made for any rented equipment or portion thereof which is claimed not to have been used. Acceptance of returned equipment by OWNER does not constitute a waiver of any of the rights OWNER has under the rental agreement.
6. The RENTER shall allow OWNER to enter RENTER's premises where the rented equipment is stored or used at all reasonable times to locate and inspect the state and condition of the rented equipment. If the RENTER is in default of any of the terms and conditions of this agreement, the OWNER, and his agents, at the RENTER's risk, cost and expense may at any time enter the RENTER's premises where the rented equipment is stored or used at all time and recover the rented equipment.
7. The RENTER shall not pledge or encumber the rented equipment in any way. The OWNER may terminate this agreement immediately upon the failure of RENTER to make rental payments when due, or upon RENTER's filing for protection from creditors in any court of competent jurisdiction.
8. The OWNER makes no warranty of any kind regarding the rented equipment, except that OWNER shall replace the equipment with identical or similar equipment if the equipment fails to operate in accordance with the manufacturer's specifications and operation instructions. Such replacement shall be made as soon as practicable after RENTER returns the non-conforming equipment.
9. RENTER indemnifies and holds OWNER harmless for all injuries or damage of any kind for repossession and for all consequential and special damages for any claimed breach of warranty.
10. The RENTER shall pay all reasonable attorney and other fees, the expenses and costs incurred by OWNER in protection its rights under this rental agreement and for any action taken by the OWNER to collect any amounts due the OWNER under this rental agreement.
